Data Protection

Amber Valley CVS will store your organisations information on the membership database and may provide this information to select organisations.

We only allow other organisations access to our lists very selectively and only if we see it in the interest of our members. If you tick this box, your organisation will not be included on lists we supply, for example to Derbyshire County Council and Southern Derbyshire Health and you may not therefore receive important consultation documents.

Please tick the appropriate box (es) if you do NOT wish your details to be used in this way:

If you do NOT wish us to pass your details to selected organisations with similar objectives, please tick here.

If you do NOT wish us to use or keep your details at all, please tick here.

If you tick this box, we will delete your records completely from our Database.

Please sign to confirm that you have read the above data protection statements.
